2021-22 ANNUAL GENERAL MEETING

Proposed By-Law Amendment

The GMHA Board of Directors approved a motion on October 27, 2021, to bring forward a motion to amend the by-law 5.2.1(g). The rationales for the proposed by-law amendment were:

- Concern that the by-law is too restrictive
- Concerns were raised about limiting volunteers. It has been difficult to find enough qualified coaches.
- Concerns were raised that this by-law was introduced for a specific situation. By-laws were voted in bundles at the 2021 AGM, many did not agree with this specific by-law.
- If conflict of interest policies are followed, there should be no issues.
